

## **Leeds 5 Barnsely 1 8<sup>th</sup> October 2022**

### **Leeds Schools FA under 12's win second league game in a row**

Leeds schools continued their recent improvement with a 5-1 home win over Barnsley schools on Saturday... Leeds started the brighter in the first half with Leon (not sure of surname) grabbing 2 opportunist goals in the first half. The first reacting to a goalkeeper error and the second a well-timed strikers finish. Leeds played some nice football in the first half with centre midfielders Jayden Lund and Nevan Maguire controlling the middle of the park which allowed wide midfielders Luthando Sikoshana and Cameron Kobessi to push forward with a constant threat. The back three of Carter Sawyer, Logan Stancliffe and Sam Bartlett provided a solid base which enabled the front 5 to drive forward... goalkeeper Oliver Garbutt was rarely called into action in the first half but pulled of an incredible save as Barnsley broke forward in numbers culminating with a strike flying into the top corner until Oliver dived to palm away..

The 2nd half started with Barnsley starting quickly and getting a deserved goal back with a strike from the edge of the box... game on... 2-1... Leeds the reasserted their authority with Tom Elliott and Charlie Dees starting to boss midfield and the pressure told... Nevan Maguire was pushed over in the box and took the penalty himself emphatically to make it 3-1.. Leeds continued to push forward and Charlie Dees scored a screamer from a free kick and Leon added the icing on the cake with his hat-trick strike to make it 5-1 at full time ..
