

Leeds Schools FA U13s vs Harrogate

This ESFA Cup group stage tie started well for Leeds who were in front after 5 minutes thanks to a well worked goal where the ball found it way to the edge of the box and was met by a neat curling finish from midfielder Levi Zari. Leeds subsequently enjoyed large spells of possession and continued the pressure but were unable to take any further chances before half time.

Both sides made changes for the second half and they exchanged attempts on goal early on. However it was Leeds who added a second goal as the ball was shifted to the right hand side and a perfectly weighted through ball was slotted home by Ralph Kilbride under the 'keepers dive. Leeds were now in full control and continued to grow in confidence as they added three further unanswered goals through substitute Aiden Huggett to take the victory 5-0 with the half time substitutes for Leeds scoring all four 2nd half goals.
