

U13 Bradford Schools FA VS Leeds Schools FA U13s Saturday 19th Nov

This league game was played at Bradford Park Avenue's Horsfall Stadium and Bradford started brightly, seeing plenty of the ball. The first chance fell their way as a free kick from the left hand side was glanced towards the far post only for Leeds 'keeper Corey Strafford to make a fingertip diving save.

After surviving this scare Leeds up grew into the game and started creating chances as they started to exploit the right hand channel. Leeds forced a corner on 20 minutes and this was delivered by Jake Allenby to the far post and headed come by Oliver Ahmetaj, this proving to be the only goal of an even first half

Bradford again started the 2nd half well, creating a number of chances but unable to capitalise on possession. Leeds were defending well and moving the ball quickly and scored again as Will Owen burst through the defence and finished well past the 'keeper. Owen then added a third moments later after some poor defending allowed him to break through and finish well low to the 'keepers left. Leeds continued their 2nd half dominance with a fourth goal late on as the ball was delivered into the box from the right hand side and after a scramble it was tucked home by Jayden Noubissie.

Final score 4-0 and Leeds continue their unbeaten league and cup start to the season.
