East Riding 1-2 Leeds Blues

East Riding vs Leeds Blues was a chance for both team to register their first points of the season after back to back defeats. Leeds Blues started confidently, passing the ball around neatly, creating several half chances and eventually taking the lead with Ollie Firth's well struck opener from outside the area. Despite the occasional foray into Leeds's half, Noah Stainforth controlled the midfield well and East Riding struggled to make progress with the score at half time remaining 1-0 to Leeds Blues. The second half continued in the same vein before Leeds added a second goal through Noah midway through the half, beating the goalkeeper from just outside the area. Although East Riding rallied towards the end, Leeds goalkeeper Luca Darling kept them at bay with a string of smart saves and despite a late consolation for East Riding, Leeds ran out deserved winners.
