Leeds Blues vs Wakefield

Leeds Blues U-11 slipped to another defeat, this time to Wakefield U-11, losing 3-1.

Leeds started brightly but found themselves 1-0 down after 5 minutes after they failed to deal with a Wakefield corner. Wakefield's second came from a well struck shot from distance and despite hard work from Harry Cullen and Jamie Moore, Leeds struggled to create anything of note before Wakefield added a third in the second half. Leeds did score a late consolation from Ollie Firth's penalty but Wakefield were deserved winners.
