

Sheffield v Leeds Michael Dale semi-final 24.02.2024

Marching on to the final.

Leeds travelling to Sheffield for the highly anticipated Michael Dale Semi final, with the sun sporting its hat, the boys looked to continue their fine recent form against their South Yorkshire rivals and book a slot in the final.

From the off Leeds were at it and inside 2 mins they got their reward, the midfield combined to release Marsden who put the fear of god into the Sheffield defence with both CB's deciding to shove him over resulting in a penalty been given, which was dispatched in empathic style, 1 nil Leeds.

Leeds maintained the pressure and again were rewarded as Marsden put away his second, 2 nil.

Leeds dominated the 1st half and reduced the visitors to no shots at all, Grand wont have many easier 30 mins of football.

Total football continued throughout the second half Marsden added a third, with Sheffield scrambling in a late goal

This was a total performance across the board and it is impossible to single out any one player as each and everyone was at a 100%

Leeds now entertain Barnsley in what promises to be an epic encounter in the final.
