

U12 Leeds Schools finally kick off, and in style.

Leeds Schools Under 12's finally kicked off their season with a visit from East Riding in the English Schools Cup,

Leeds started strongly with the midfield quartet of Joe Secker, Lucas Horne, Jack Swift and Ethan Alam in control from the start, Secker and Alam were a constant threat, and with some great link up play from Secker and Swift, Billy Marsden fired home to make it 1 nil. More followed, this time Marsden turned provider with Ethan Alam firing one home.

The impressive Swift on his full debut once more laid it on a plate for Marsden, 3, nil, he then added another, Leeds went in at half time, 4 nil up.

With a raft of changes to start the second half, Leeds took some time to regain control, but with the introduction of Oliver Wellman in the midfield, he was making things happen, and with a great through ball, Marsden banged in another.

Not wanting to feel left out, Spencer grand launched a trade mark clearance, he found Jonah Reed who slotted home. The goals continued to flow, this time with a great clearance from George Marsden in goals, he found Lucas Horne and he finished in style with a half volley that left the keeper with no chance. An excellent result for Leeds who were in control from the off.
