

U13 Doncaster girls v Leeds U13 girls Friday 4th October

Leeds girls claim point and clean sheet

Leeds Girls U13s continued their good form with a point away at Doncaster.

They travelled to the Eco Power Stadium on the back of a good home EFSA cup win, but started slowly.

Doncaster had the better of the opening exchanges and looked on top.

But after a few good tackles and some slick passing, Leeds grew into the game.

By the second half, Leeds were on top for large portions and created three or four great chances to go ahead, but couldn't convert.

Doncaster tested the solid Leeds defence late on when a long-range effort looked destined for the back of the net before 'keeper Scarlett made a stretching save.

A point and clean sheet in the bag, Leeds now travel to Redcar in the next EFSA Matchday
