

## 28.09 v East Riding ESFA game

Leeds School boys u12s, having beaten Doncaster in their opening fixture, looked to continue their winning start to the campaign, home against visitors East Riding.

Leeds were quick to apply pressure, with Oli Firth on defensive duties and Noah Stainforth being a constant source of creativity in midfield. Leeds pressure was soon rewarded when Charlie Edginton Cooly chipped over East Ridings keeper. The fast play continued through Ethan Manyika and a precision through ball was sent beyond the keeper by Jamie Moore. 2-0 up at the break but East Riding were determined to not return home empty handed.

High pressure and an increase in physicality rewarded them with a goal before a foul in the box saw them slot home their penalty to make it 2-2. As the game reached the closing stages both teams applied pressure, confident they could close the game. Despite coming close the keepers felt otherwise and thwarted all further attacks.

Both had their chances to win but a draw seemed the fair result. Leeds march on remaining undefeated in the campaign.
